Dear Valued Customer,

We are very excited to announce that we have a new mobile banking app available for download from both the App Store for iPhone and Google Play for Samsung phones. The name of the app is "**Bank of Baker**".

For our current NetTeller online banking customers, you can use the same login credentials to launch the mobile banking app. You will not have to create a new account to use the app.

If you do not currently use NetTeller for online banking, you can download the app, then choose to "enroll now" to create a new mobile banking account.

If you have questions, please don't hesitate to call (406)778-3382. Our employees are ready to assist you.

Thank you for the opportunity to serve you in all aspects of your banking needs.

Sincerely,

Shawn Wiseman
